

Subject : Compilation of photographs of Flora and Fauna of the Institute.

Dear Colleagues,

As all of you are already aware, our Institute will be celebrating its Diamond Jubilee Year from **Nov 2024** to **Nov 2025**. As a part of the celebrations, it is proposed to release a compilation of photographs of Flora and Fauna of the institute.

Contributions are invited from all members of the CSIR - IITR family (Regular Staff, Research Scholars and Project Fellows).

Please find below the link to submit the photographs. Kindly adhere to the instructions while submitting the photographs (especially with respect to the file name).
